ACKNOWLEDGEMENT

The completion of this thesis is not only fulfillment of my dreams but also the dreams of my family who have taken lots of pain for me in completion of my higher studies.

I take this privilege and pleasure to acknowledge the contributions many individuals who have been inspirational and supportive throughout my work undertaken and endowed me with the most precious knowledge to see success in my endeavor. My work bears the imprint of all those people, I am grateful to.

It is with fathomless gratitude that expresses my benevolent thanks to my reverent Supervisor Dr. I. Sarath Chandiran, Principal, Gokula Krishna College of Pharmacy, that enthusiastic guidance, valuable suggestions, and for all the help he has done to carry out project successful.

I wish to express my sincere thanks to my reverent Co-Supervisor Prof. Dr. K. N. Jayaveera, Head of the Department, Department of Chemistry, Jawaharlal Nehru Technological University Anantapur, with for his support and valuable suggestions during my work on this topic.

I am beholden to Dr. V. P. Shedalkar, Director, Clinical Research and Biosciences [I] Pvt Ltd, Hyderabad and Mr. Y. K. Naidu, GM Operations, Actimus Biosciences Pvt Ltd, Vizag for providing valuable support by giving an opportunity to do a project in their organizations.

I am very glad to express my deep sense of gratitude to Mr. M. P. Kalyan Reddy, Head-Clinical Operations, Clinical Research and Biosciences Pvt Ltd-Division of RA
CHEM Pharma Limited, Hyderabad, whose insightful advice and efforts paved way for the successful completion of the project.

I would be thankful to Mr.M.V.G.S.Raghavendra, Head- Pharmacokinetics and Biostatistics, Actimus biosciences Pvt Ltd, Visakhapatnam for their valuable guidance and useful suggestion during the progress of my study.

It is my privilege to thank Mrs.Y.K.Nalini and Mrs.Ramalakshmi, Project management, Actimus biosciences Pvt Ltd, Visakhapatnam; and Mrs.P.Ramadevi, Asst.Manager, Quality Assurance, Actimus biosciences Pvt Ltd, Visakhapatnam, for their moral encouragement, good wishes for my career.

I am highly indebted to Mr.D.Koteshwara Rao, Analytical incharge, Johnson and Johnson Pharmaceuticals, Mumbai, Mr.S.Venu Gopal, Senior Executive-Quality Assurance, Actimus biosciences, Vizag., Mr.V.RaviKiran, Senior Scientist and Bioanalytical incharge, Lupin Laboratories, Pune, and Ms.Y.Sandhya Rani, Analytical incharge, Chandra Labs, Hyderabad, whose insightful advice and efforts paved way for the successful completion of the project.

my warmest of warm and the important acknowledgement, by far, is to my Beloved father, mother, brother, sister, wife and Teachers with deep appreciation for their indispensable encouragement, patience, devotion, compassion, generosity, unfailing courtesy and love that served as a source of my inspiration, strength, determination and enthusiasm at each and every front of my life to transform my dreams into reality.
Last but not least, I often wonder one gets see god in their moral life. I consider myself privileged to have seen entity in my family who made great sacrifice towards pursuit of my education, I may be worthy of their cause and response.
