ACKNOWLEDGEMENT

I express my sincere thanks and esteemed gratitude to my research supervisor, Dr. L. Sudha, Assistant Professor of Physics, SRM University, Ramapuram Campus, Chennai-89 for her sincere and motivating guidance at every stage of my research work. I am extremely grateful for her constant encouragement and valuable support.

It is a great pleasure to thank Dr. M. N. Ponnuwamy, Professor, Dr. D. Velmurugan, Professor and Head of the Department, Centre of Advanced study in Crystallography and Biophysics, University of Madras, Chennai-25 and Dr. K. Sivakumar, Professor and Head of the Department of Physics, Anna University, Chennai-25 for their help and suggestions throughout the period of the research and in the preparation of the thesis.

My sincere thanks are due to Dr. R. Raghunathan, Professor, Department of Organic Chemistry, Dr. S. Sriman Narayanan, Professor, Department of Analytical Chemistry, University of Madras, Chennai-25 and Dr. P. T. Perumal, Organic Chemistry Division, Central Leather Research Institute, Adyar, Chennai-20 for their help in synthesizing of organic compounds to carry out my research work. I wish to thank Dr. N. Raman, Professor, Centre for Advanced Studies in Botany, University of Madras, Chennai-25 for extending help to do the bioactivity study of compounds.
I wish to express my sincere thanks to Dr. T.R. Pachamuthu, Chancellor, Dr. R. Shiva Kumar, Pro Vice-Chancellor, SRM University and Mr. V. N. Pattabiraman, Director, SRM University, Ramapuram Campus and Dr. K. Abdul Ghani, Principal, Easwari Engineering College, Chennai-89 for all their motivation and encouragement given to pursue my research.

My gratitudes are due to Dr. Babu Varghese, Principal Scientific Officer, SAIF, IIT Madras and Mr. R. Jagan, SAIF, IIT Madras for their help in the data collection. I wish to thank Dr. R. Murugan, Zydus Research Centre, Ahmedabad, Dr. G. Chakkavarthi, CPCL Polytechnic College, Chennai-68 for their kind support and help.

My heartfelt thanks are due to the research scholars Mrs. T. Kavitha, Centre of Advanced study in Crystallography and Biophysics, Mr. S. Kathiravan, Department of Organic Chemistry, University of Madras, Mr. K. Karthikeyan, Organic Chemistry Division, Central Leather Research Institute for their valuable support in my research work.

My sincere thanks to Dr. S. N. Zafarullah, Head of the Department of Physics, Mrs. E. Theboral Sugi Kamala, Dr. J. Judes, Mr. K. Senthil Kumar, Mr. M. Esthaku Peter, Mr. T. Gurumurthi and Mr. R. Saravanan of Easwari Engineering College for all their valuable help in preparing the thesis.

My special thanks to my mother, husband and son who are the source of inspiration for me in all my endeavours.

S. NIRMALA
