Acknowledgement

At the outset I bow before merciful “Almighty Allah” Omnipotent, Omnipresent, the most beneficent for enshowering His blessings upon me and making me able to complete this task.

It is benediction for me, an ecstasy to express my gratefulness, cordially, relishingly and indebtedness to my honourable research supervisor Dr. Hisamuddin, who inspired me to initiate the research work in the field of Plant Pathology and Plant Nematology especially Histopathology. His guidance, continuous assistance, unceasing encouragement throughout this work and constantly endeavoring me to do better work meticulously.

It gives me immense pleasure to express my deep sense of gratitude and sincere thanks to Prof. Arif Inam (Ex-Chairman) and Prof. Mohammad Anis (Chairman) Department of Botany, Aligarh Muslim University, Aligarh for providing me necessary laboratory and library facilities.

Words and lexicons cannot do full justice in expressing a deep sense of gratitude and indebtedness which flows from my heart towards my uncle, late Syed Nazrul Islam and my eldest sister, late Aisha Mosharraf Kabbeekhan who recently left for his heavenly abode. May Allah enshower endless blessings to his soul.

I cannot express my gratitude in words but it gives me immense pleasure to express my sincere thanks to my seniors Dr. Tanweer Azam, Dr. Manzer H. Siddiqi, Dr. Mohammad Faisal, Dr. Naseem Ahmad, Dr. M.U. Naeem, Dr. Farmanur Rahman Khan and Dr. Sarfaraz Ahmad.

The completion of this work owes much to my dearest and bosom friends, Mr. Qayed Alam, Dr. Asfar Azimee, Mashhoor Kaseem, Jawed Qumar, Mrs. Nida Kidwai, Yahiya Hasan, Faiz Abdullah, Syed Tanzeelur Rahman and Hamid Iqbal for their wholehearted succor, invigorating suggestions and consistently encouragement. I feel shortage of words to communicate my feelings.

I am heartily thankful to my colleagues, Mr. Swarn Singh, Abbasi, Ambreen Akhtar, Rushda Sharf and friends Dr. Shams Tabreiz, Dr. Meraj, Dr. Shahid Parvaiz, Ms. Masidur Alam and Mohammad Nasir for their wise counsel and for the help they extend me by whatever means and whatever ways they could.
I am sincerely thankful to Prof. Mohammad Hayat (Entomology, Deptt. Of Zoology, AMU) for providing facility to take necessary microphotographs in his laboratory. University Grant Commission, New Delhi is highly thankfully acknowledged for providing financial assistance as Non-NET Fellowship. Thanks are paid to Indian Type Culture and Collection Centre, IARI, New Delhi for providing the fungal cultures.

I express my humble feelings and gratitude for ever-loving dearest parents, my father Prof. Syed Zafrul Islam and my adorable, loving and caring mother Mrs. Ashraf Jahan, whose love and sacrifices to provide the most and best education possible for me. I greatly acknowledge the moral and sympathetic support of my ever-loving sisters and brothers-in-laws, who lit the flame of learning for me and their affections, devotions and constant encouragements helped me to gain this success, and above all their beloved kids, Shafaque, Balaj, Tahreem, Tahreem, Wasma, Shaffan, Moaz, Ebraaz, Reefa, Rubul, Nabeena, Nafila, Zonaira and Zoya for their loving and stimulating backup. 

Last but not the least I am highly thankful to the great visionary Sir Syed Ahmad Khan for laying the foundation of this great seat of learning- Aligarh Muslim University and I feel proud to be the part of the institution.

Lastly, I would like to thank Mr. Abul Kalam Azad (Computer Professional) for patiently typing and formatting my thesis.
