I express my gratitude to Mrs. Kamala Robson and Ms. Devipriya, who offered me great help and valuable support on many aspects at various stages of this work.

I thank my professors Dr. K.K. Subrahmaniam (late), Dr. Mohanan Pillai, Dr. K. Navaneetham, Dr. K. N. Nair and others of Centre for Development Studies, Trivandrum for introducing me to the research issues on industrial studies. I also thank the library staff of CDS, particularly Mr. Anil Kumar for providing me a lot of assistance in the library usage.

The pleasure of the friendly help which I received from my friends Albin, Dennis, Anand, Beena, Shyjan, Pushparaj, Chithra, Uma and Nirmala remain as fresh as ever. Special thanks to Albin and Dennis who are always available to help me with all kinds of questions.

Besides academic aspects, I am indebted to the love and support from my family. I thank my husband Dr. Albert Christopher Dhas, and my children, Jason and Jenie for putting up with the stresses and strains which are an inevitable part of the research work like this. I particularly thank my mother, who is a great source of inspiration. The unconditional love and support from my mother has been a backbone for me in pursuing my interests.

I thank the UGC for the award of research fellowship under FDP XI plan grant.

I appreciate and acknowledge Sri Balaji Laser Printing and Binding for the typesetting and binding.

I gratefully acknowledge all those who contributed to my work both directly and indirectly.
