# Table of Contents

**Chapter-1** Introduction .................................................................................. 1-35

1.1. History of e-Governance .............................................................................. 2
1.2. Concept of e-Governance ............................................................................ 3
1.3. E-Government Vs. E-Governance ................................................................. 4
1.4. Definitions of E-Governance ....................................................................... 4
1.5. E-Governance Models .................................................................................. 8

1.5.1. Broadcasting / Wider Dissemination Model ........................................... 8
1.5.2. Critical Flow Model ................................................................................. 8
1.5.3. Comparative Analysis Model ................................................................. 9
1.5.4. Mobilization and Lobbying Model ......................................................... 9
1.5.5. Interactive-Service Model ..................................................................... 10

1.6. E-Governance Interactions ........................................................................ 10

1.6.1. Government to Government (G2G) ...................................................... 11
1.6.2. Government to Citizen (G2C) ............................................................... 12
1.6.3. Citizen to Government (C2G) ............................................................... 12
1.6.4. Government to Business (G2B) ........................................................... 12
1.6.5. Business to Government (B2G) ........................................................... 13

1.7. Development of e-Governance in India ...................................................... 13

1.7.1. E-Governance Implementation in the State of Punjab ................. 13

1.7.1.1. PRISM (Property Registration Information System Module) .......... 13
1.7.1.2. Web-based Counselling for PSBTE(Punjab State Board of Technical Education) .................................................. 14
1.7.1.3. ITISP(Integrated Treasuries Information System of Punjab) .......... 14
1.7.1.4. Transport System .............................................................................. 14
1.7.1.5. SUWIDHA (Single User-Friendly Window Disposal Help Line for Applicants) ............................................ 15
1.7.1.6. PAWAN (Punjab State Wide Area Network) ................................. 15
1.7.1.7. AGMARKNET (Agriculture Marketing Information Network) .... 16

1.7.2. E-Governance Implementation in the State of Andhra Pradesh .......... 16

1.7.2.1. CARD(Computer-aided Administration of Registration Department) ................................................. 16
1.7.2.2. e-SEVA (Electronic Seva) ................................................................. 16
1.7.2.3. VOICE (Vijayawada Online Information Centre) .......................... 17

1.7.3. E-Governance Implementation in the State of Kerala ...................... 17

1.7.3.1. FRIENDS (Fast, Reliable, Instant, Efficient Network for the disbursement of Services) .......................... 17
1.7.3.2. e-Procurement (Electronic Procurement) ..................................... 17

1.7.4. E-Governance Implementation in the State of Gujarat ................. 18
1.7.4.1. Mahiti Shakti .............................................. 18
1.7.4.2. SWAGAT (State Wise Attention on Public Grievances by Application of Technology) …… 18
1.7.4.3. E-CITY ................................................. 19

1.7.5. E-Governance Implementation in the State of Rajasthan… 19
1.7.5.1. E-Mitra .............................................. 19
1.7.5.2. E-SANCHAR ........................................ 20
1.7.5.3. Hospital Management Information System …… 20

1.7.6. E-Governance Implementation in the State of Himachal Pradesh ............................................. 21
1.7.6.1. HIMRIS (Himachal Registration Information System) ............................................ 21
1.7.6.2. E-PENSION (Pension Disbursement System) … 21
1.7.6.3. LOK MITRA ........................................... 21

1.7.7. E-Governance Implementation in the State of Chandigarh. 22
1.7.7.1. E-SAMPARK ........................................ 22
1.7.7.2. Gram Sampark-Rural Knowledge Centre ........ 22

1.7.8. E-Governance Implementation in the State of Madhya Pradesh ................................................... 22
1.7.8.1. E-SEVA .............................................. 22
1.7.8.2. GYANDOOT ........................................... 23

1.7.9. E-Governance Implementation in the State of Uttarakhand 23
1.7.9.1. CUAS (Centralized Utility Approval System) … 23

1.7.10. E-Governance Implementation in the State of Karnataka… 23
1.7.10.1. KHAJANE ........................................... 23
1.7.10.2. Community Learning Centre Project .......... 24
1.7.10.3. BHOMI .............................................. 24
1.7.10.4. SACHIVALAYA VAHINI ............... 25

1.7.11. E-Governance Implementation in the State of Maharashtra 25
1.7.11.1. SETU .............................................. 25
1.7.11.2. Warana Wired Villages ................................ 26
1.7.11.3. SARITA (Stamps and Registration Information Technology based administration) …... 26
1.7.11.4. Stamps & Registration Software .................. 26

1.7.12. E-Governance Implementation in the State of Bihar…….. 27
1.7.12.1. MUDRA (Municipal Corporation Towards Digital Revenue Administration) .................. 27
1.7.12.2. STAMINA (Sales Tax Administration Management Information Network Aided) .... 27

1.8. Benefits of e-Governance ........................................... 28
1.9. Need for the Study .............................................. 31
1.10. Objectives of the Study ........................................ 32
1.11. Scope of Study .............................................. 33
Chapter-2 Literature Review ......................................................... 37-62
2.1. Studies Undertaken To Examine the Significance of e-Governance…… 37
2.2. Studies Undertaken to Assess Present Status of e-Governance……… 42
2.3. Studies Undertaken to Assess the Scope of e-Governance…………… 49
2.4. Studies Undertaken to Measure the Level of Satisfaction of Citizens… 53
2.5. Studies Undertaken to Suggest Suitable Model/Framework…………… 56
2.6. Gaps in Research…………………………………………………………... 61
2.7. Conclusion……………………………………………………………..... 62
Chapter-3 Research Methodology ...................................................... 63-86
3.1. Preparation of Respondents’ Database and Scope of Study…………… 63
3.2. Profile of SUWIDHA………………………………………………….. 64
3.2.1. Objectives of SUWIDHA……………………......................... 65
3.2.2. Architecture and Working……………………………………….. 65
3.2.3. Front-end Process………………………………………………….. 66
3.2.4. Back-end Process………………………………………………….. 67
3.2.5. Monitoring System………………………………………………… 67
3.2.6. Services Provided………………………………………………….. 68
3.3. Questionnaire Design………………………………………………….. 68
3.4. Testing of Questionnaire……………………………………………… 69
3.5. Mapping of Objectives to the Questionnaire………………………… 69
3.6. Sampling Plan……………………………………………………….. 70
3.7. Data Collection………………………………………………………. 71
3.8. Sampling Frame………………………………………………………. 72
3.9. Demographic Profile of the Respondents…………………………… 74
3.10. Data Analysis Techniques…………………………………………… 85
Chapter-4 Significance of E-Governance……………………………………… 87-102
4.1. Aim of e-Governance (Citizens’ Perspective)………………………… 88
4.2. Importance of e-Governance (Citizens’ Perspective)………...……... 92
4.3. Main Benefits of e-Governance (Employees’ Perspective)…………… 96
4.4. Importance of e-Governance for Government Agencies and Citizen (Employees’ Perspective)………………………………………………… 99
Chapter-5 Present State of E-Governance……………………………………… 103-135
5.2. Popular e-Governance Projects………………………………………… 107
5.3. Problems faced by the public at Suwidha Centres…………………… 110
5.4. Benefits of available services at Suwidha Centres…………………… 114
5.5. Reasons behind non-availability of benefits of e-governance to majority
of the people

5.6. Problems regarding stamp papers

5.7. Importance of e-Governance Projects (Employees’ Perspective)

5.8. Work-Culture at Suwidha Centres

5.9. Problems faced by Employees at Suwidha Centre

5.10. Problems faced by employees while working on computers

5.11. Problems of employees regarding imparting training for implementing e-Governance Projects

Chapter-6 Scope of E-Governance

6.1. Knowledge about Internet

6.2. Methods for Exchange of Information

6.3. Reasons For Improper Implementation of e-Governance Projects in Rural Area

6.4. Facilities required at Suwidha Centre

6.5. Method to control rush at Suwidha Centre

6.6. Facilities needed at Suwidha Centre (Employees’ perspective)

6.7. Methods to control the rush at Suwidha Centre (Employees’ Perspective)

6.8. Improvements required for better Working of Suwidha Centre (Employees’ Perspective)

6.9. Post-implementation effects of e-Governance Projects (Employees’ Perspective)

Chapter-7 Level of Satisfaction

7.1. Level of Satisfaction about the Availability of Facilities at Suwidha Centre (Citizen’s Perspective)

7.2. Factors of e-Governance Contributing towards Elimination of Corruption (Citizens’ Perspective)

7.3. Satisfaction with the Available Facilities at Suwidha Centre (Employees’ Perspective)

7.4. Factors of e-Governance Contributing to Eliminate Corruption (Employees’ Perspective)

Chapter-8 Findings and Recommendations

8.1. Detailed Findings on the basis of Mean Score Analysis from the Citizens’ Perspective

8.2. Detailed Findings on the basis of Mean Score Analysis from the Employees’ Perspective

8.3. Factor Analysis

8.3.1. Factor Analysis from the Citizens’ Perspective

8.3.1.1. Findings on the basis of Factor Analysis from the Citizens’ Perspective

8.3.2. Factor Analysis from the Employees’ Perspective

8.3.2.1. Major Findings on the basis of Factor Analysis from the Employees’ Perspective

8.4. Findings on the basis of Data Interpretation
8.5. Conclusions and Recommendations .............................. 212
8.6. General Recommendations ........................................ 216
8.7. Scope for Future Research .......................................... 219
