1. Title of the Thesis:

Designing a New Self Organization Algorithm for Ad hoc Networks

2. Name, Designation and Institution of the Supervisor:

Dr. Avijit Kar
Professor
Department of Computer Science & Engineering
Jadavpur University
Kolkata – 700032

3. List of Publication:

JADAVPUR UNIVERSITY
KOLKATA-700032, INDIA

INDEX NO.

4. List of Patents:

Nil

5. List of presentations in National/International Conference:

5) Hemanta Kumar Kalita, Dhruba Kumar Bhattacharyya and Avijit Kar, **A New Algorithm for Ordering of Points to Identify Clustering Structure Based On Perimeter of Triangle OPTICS(BOPT)**, 15th International Conference on Advanced Computing and Communication (ADCOM’07), Indian Institute of Technology, Guwahati during 18 – 21 Dec, 2007

9) Hemanta Kumar Kalita, **Securing Wireless Sensor Network**, National Conference on Sensors (NCS'05), Thapar Institute of Engineering and Technology, Patiala, India during 25-26 Nov, 2005

10) Hemanta Kumar Kalita, **Wireless Medical Sensor and Architecture of an Ad hoc Sensor Network for Emergency Medical Care**, National Conference on Sensors (NCS'05), Thapar Institute of Engineering and Technology, Patiala, India during 25-26 Nov, 2005
