Acknowledgements

I am deeply indebted to my supervisor Professor V.S. Mani for suggesting this topic and supervising this thesis. Words fail me in expressing my reverential gratitude to him. His constant guidance and encouragement immensely benefited me. I remain forever grateful to him for his scholarly advice, which acted as a constant source of inspiration to scale greater heights in the intellectual domain.

I owe a special debt to Professor S. Bhatt for his guidance and continuous help in completing this work. His affection remained a constant source of strength throughout the study.

I am obliged to Professor R.P. Anand, Professor Rahmatullah Khan, Professor Y.K. Tyagi, Prof. B.S. Chimni and Dr. Bharat Desai for providing me with an excellent academic environment at the Legal Studies Division, School of International Studies, Jawaharlal Nehru University, which greatly facilitated my task and made the whole experience a pleasant one.

I would like to express my gratitude to the Asian Institute of Transport Development (AITD) for providing me with a fellowship, without which this work wouldn’t have been completed on time. I also thank Shri K.L. Thapar, Chairman, AITD; Shri T.R. Kesharvani, ICAO consultant and Senior Fellow, AITD; Shri Khanna; Shri. Tilak Raj, Shri Kapoor and other staff members of the AITD for their help and cooperation.

My sincere thanks to Dr. S.S. Sidhu, President, Foundation for Aviation and Sustainable Tourism (FAST) and former Secretary General, ICAO; Mr. Rimal Singh, Deputy Director-General of Civil Aviation; Mr. R.K. Maheshwari, Director, Regulations and Information; Mr. K.P. Muggoo and Mr. Sunil Kumar, Assistant Directors, Regulations and Information, and other staff members of DGCA; Mr. J.P. Mehta and Mr.
Srinidhi, of the Ministry of Civil Aviation; for extending their kind cooperation in the collection of data from their respective offices.

I also thank my fellow research scholars Ramana, Vijaya Sekhar, Partha, Joseph, Prasad, Kiran, Sreenu, Deepak, Ramakant, Sreemali and Yellosha whose good humour and constant help in various ways smoothened my task considerably.

I am thankful to Shri B.L. Phawa for his excellent typing work and Anil Pawar of M/s A.P. Computers for typesetting and printing my thesis.

I also to thank the library staff of J.N.U., the Director- General of Civil Aviation, the Indian Society of International Law, the Indian Council of World Affairs, Indian Airlines, Air India, the Asian Institute of Transport Development and the United Nations Information Centre for enthusiastically extending help in various ways.

I wish to express my sincere regards to my family members and other friends.
