ACKNOWLEDGMENT

First and foremost I express my deep sense of gratitude and indebtedness to my beloved Parents, Sisters and my Brother In Law (Mr. M. Senthilkumar) for their constant encouragement, selfless help and unending blessings which enabled me to complete this Ph.D work successfully.

I am thankful to our Esteemed Chancellor Manamigu Dr. K. Veeramani without whom the dreams of Thanthai Periyar would have never come up to this extent.

My sincere thank our to Hon’ble Vice-Chancellor Dr. N. Ramachandran, Periyar Maniammai University, for permitting me to take up this research work and my special gratitude for his supportive and constant encouragement during my study.

My special gratitude also to our respected Registrar Dr. M. Ayyavoo Periyar Maniammai University, for his encouragement, insightful comments and supportive during my study.

I am extremely thankful to my advisor Dr. T. Eevera, Assistant Professor, Dryland Agricultural Research Station, Tamil Nadu Agricultural University, Chettinad, it has been an honour to be his first Ph.D. student. He has taught me, both consciously and unconsciously, how good experimental research is done. I appreciate all his contributions of time, ideas, and funding for chemicals to make my Ph.D. experience productive and stimulating. The perfection and enthusiasm he has for his research was contagious and motivational for me, even during tough times in the Ph.D. pursuit. I am also thankful for the excellent example he has provided as a role model for successful scientist.

I would like to thank my internal supervisor Dr. K. Rajendran, Associate Professor & Head, Department of Biotechnology, Periyar Maniammai University with his enthusiasm, his inspiration and his great efforts to explain things clearly and simply. Throughout my thesis-writing period, he provided encouragement, sound advice, good teaching and lots of good ideas, which all make me to prepare good thesis.
I warmly thank the man who has honestly support, encourage, motivate me (not only me, for all) throughout my PhD work is non other than **Dr.S.Kumaran**, Assistant Professor, Department of Biotechnology, Periyar Maniammai University. Whenever our scholars had administrative problem, he only came and solve it and gave confident to us. I am also thank him for financial assistance to me from the past one and half years.

My special thanks to **Dr.D.Kumar**, Dean Research, Periyar Maniammai University for his constant encouragement and supportive during my study.

My sincere thank to my doctoral committee members **Prof. Dr. R. Senthamarai**, Principal, Periyar College of Pharmaceutical Sciences for Girls, Trichy and **Prof. Dr. M. Logamanian**, HOD & Hospital Sup., National Institute of Siddha, Chennai, for their encouragement, insightful comments, and hard questions.

I would like to express my gratitude to our staff members **Dr.A.R.Elizabeth, Ms.A.P.Aruna, Dr.V.Sukumaran and Mr.Chittibabu** for their valuable suggestions.

I express my sincere gratitude to **Dr.Karpagam Kumara Sundari**, Assistant Professor & Head, Department of Pharmacology, **Dr.Vijayakripa**, Assistant Professor & Head, Department of Pharmacognosy, Periyar College of Pharmaceutical Sciences for girls, Trichy, for their guidance and support for my project.

My healthy thanks to **Mr.K.G.Ramachandramoorthy, Ms.B.Nazeema Banu, Ms.K.Manjula, Mr.M.Vijayasarith, Mr.P.Ananthagopu, Mr.Sibsanker giri and Ms.M.Oviya**, Research scholars of Department of Biotechnology, periyar Maniammai University for their immense help encouragement during my project work.

I express my deep sense of gratitude to **Ms. S.Rubini, Ms. B.Lavanya, Ms.Pavithra, Ms.E.Ramya** for their inspiring involvement, valuable suggestions, truthful discussions and constant encouragement have been of immense supporting in completing this project work.
I thank from the inner recess of my hearts Ms.S. Aiswarya Devi, Ms.C.Jeba Samuel, Ms.G.Priya, Ms.G.Yogha for their selfless help, encouragement and supportive understanding rendered to me throughout this study.

I wish to thanks Mr.Prabu, Mr.P.Sankar Ganesh, Ms.Radha, Ms.Senthamil selvi for their support during project work.

I am not forgetting to deeply express my deep feelings of gratitude to my friend and beloved sister Ms.K.Bhuvaneswari, Ms.B.Kunthavai, Ms. K.Aashefa and Ms.M.Kavitha (Kutties of our research team) for their supportive, selfless commitment, carrying, inspiration, understanding, mutual aid, indescribable zeal, constant encouragement and forfeit for rendered to me through my research work.

(K.Pazhanichamy)
