ACKNOWLEDGEMENT

To begin with I vow in reverence and gratitude to whose blessings had always been with me and enabled me to complete this thesis.

I feel obliged to place on record my thanks to the persons who helped during the course of my research work, first of all I would like to express my deep sense of gratitude to my mother Hasiba Khatoon who made me what I am today. She is the greatest asset of my life because she gives smile against the pain. She bears all the mischief and give the pleasure, and warm touch of love in every moment of my life.

I owe my profound sense of gratitude to my supervisor Dr. Jawaid Iqbal whose inspiring guidance and untiring encouragement help me to complete this task. He has always motivated me and made available various facilities and invaluable advice at various juncture for which I can not find sufficient words to thanks him,

I wish to express my sincere thanks and gratitude to Prof. Md. Gulrez Chairman, Department of West Asian Studies, Aligarh Muslim University, Aligarh for his moral support and encouragement.

This acknowledgement would be incomplete without mentioning the name of Prof. Shamir Hasan, Prof. Nazim Ali, Dr. Fazal Mahmood, Dr. Ghulam Mursaleen, Dr. Rakshanda Fazli, who cope the pressure on me by
their sympathetic inquiries and advise me various conceptual and theoretical studies issue related with the studies.

I would be failing in my duties if I do not acknowledge with gratitude the unfailing help from the staff of the research library off Department of West Asian Studies, A.M.U., Aligarh.

Thanks are also due to all the non teaching staff, members of the department for their good behaviour and warm response.

I am extremely obliged to Rev. Fr. Dennis De Souza, Principal of St. Josephs School, Greater Noida for his moral support and helped at various stages of this work without which the task was in possible.

I owe very special thanks to my friends whose helpful and supportive attitude has kept me in a constant motivating state that in reality had mentioned my efforts and interest in completing this piece of research work, in this regard the name of Dr. Akram Jawaid, Dr. Fasahat, Mr. Azam Khan, Dr. Zameer, Dr. Abdul Ghany, Mr. Abid, Ms. Sujata Chakrabarty and Ms. Rolee Chabra, and all friends who helped me in many ways.

There are no words with which I can express my love to my siblings my dearest brother Nadir Jamal, my lovely sisters Lubna, Uzma and Sitwat and my niece Soni, nephews Sonu, Monu, Jugnoo and Chiku for their love
affection and involvement which they expressed has moved me deeply. I thank them from the core of my heart.

I must record my heartiest sense of gratitude to my uncle’s Dr. Jalil Ahmad, Late Mr. Khalil Ahmad, Mr. Suhail Ahmad and my Aunts for enormous inspiration, encouragement and moral support and guidance in every sphere of my life.

Special credit goes to my brother in laws, Mr. Anjum Rasheed, Mr. Rashid Ali and Mr. Arif for their ever lasting moral support, affection and passion without which it could have been impossible for me to accomplish the arduous task for completing this thesis.

Last but not certainly the least I would like to thanks, my husband Mr. Rafi Ahmad who has been a source of encouragement, and motivation, which inspired me to complete this study.
