DEDICATED TO THE MEMORY OF MY BELOVED FATHER F. FREEMAN D’CRUZ
ACKNOWLEDGEMENT

I wish to express my deep sense of gratitude to **Prof. (Dr.) P.J. Thomas**, Director (Retd.), Research Division, Department of Zoology, F.M.N. College, Kollam, for suggesting the problem and inspiring me with his efficient guidance and constant supervision throughout the course of this investigation.

I appreciate the goodwill of the former principals of F.M.N College, Fr. Stanley Roman and Prof. K. Napolean, the present principal Prof. G. Henry and the head of the Department of Zoology, Prof. Agnes to provide me all the facilities to carry out this research work, and sincerely thank them for the same.

Many eminent personalities like Dr. Sundaresan Pillai, Scientist, Institute of Science and communication, New Delhi; Dr. G. Achuthan Nair, Emeritus scientist, Environmental Resource Centre, Trivandrum; Dr. Babu Ambat, Director, Centre for Environment and Development, Trivandrum; Dr. Bijoy Nandan, Technical Officer, CIFRI Centre, Alappuzha; Dr. Ramesh, Department of Zoology, Bharathiar University, Coimbatore; Dr. Vijayamohananan, Department of Zoology, Government College, Chavara and my colleagues Dr.(Sr.). Soosamma Kavumpurathu, Mr. Johnson Pius and Dr. Mary Teresa P. D’cruz had extended their valuable help in the academic matters at various stages during the course of the research work, and I thank them all from the bottom of my heart.

With due respect and gratitude, I acknowledge the services and help rendered by Dr. S. Subramaniam, Professor and Head, Department of Chemistry, Indian Institute of Technology, Madras, in the heavy metal analysis of the samples; Prof. Balasubramanian, Head of the Department of Biostatistics, Aquatic Biology, University of Kerala, in statistical analysis of the data and Dr. Ancy Kuruvila, Integrated software, Trivandrum, in computer derivations of the statistical analysis results.
Thanks are also due to Justin Raj of Kerala State Audio-visual and Reprographics Centre, Kollam for computer graphics and to Francis. F. D’crus for photography. Mr. Sivakumar, Citron - the Laser Point, Kottamukku, Kollam, rendered the major part of the computer services including typing and printing for which I extend him the most sincere thanks.

I also thank my students (M.Sc. dissertation) Vincent Terrence Rebello, Geetha Gilbert, Patricia Lucy, Sheelaja, Shiny Thomas, Gafoor Rawther, Ligi, Saji and Sarlin for their assistance in laboratory work, and Sibi (1998 M.Sc. final) for helping me in the proof reading of the tables.

The services of the ferry man Mr. Baburaj by providing the canoe and accompanying and assisting during the monthly field collections are acknowledged with gratitude.

I extend my sincere thanks to my colleagues, friends and family members for their help and support in this venture, especially of my brothers Albert F. D’cruz and Francis F. D’cruz, and nephew Reeds Brooklyn Doyle in their regular assistance in the monthly field collections, and of my sister-in-law Mrs. Florence D’cruz and my son Don Wallace Freeman D’cruz in their assistance in calculations.

I am indebted to my mother Mrs. Francina D’cruz and wife Dr. Mary Teresa P. D’cruz for their constant encouragement, understanding and inspiration during the tenure of the work. My most emotional thanksgiving goes to my sweet little daughter Deula Candida D’cruz who had to sacrifice her right to have the paternal care, for the sake of my research work.
