ACKNOWLEDGEMENTS

The author expresses her deep sense of gratitude to her revered teacher and guide, Dr. S. C. Dey, D.Sc. (Cal.), Professor of Zoology & former Dean of Science, Gauhati University for suggesting the problem of the present treatise, erudite guidance and rigorously supervising throughout the course of investigations.

The investigator is also grateful to Prof. Dr. A. Borkotoky, Dean of Science and Head, Department of Zoology, Gauhati University, for all facilities to work in the Department. Heartfelt gratitude is also extended to Profs. H.C. Mahanta and M.M. Goswami of the Department and Dr. P. Nath, Dy. Director Fisheries, Arunachal Pradesh for their kind help and encouragement.

Dr. Sushil K. Sarmah, Sr. Lecturer in Zoology, Guwahati College, Guwahati has rendered invaluable help and assistance during the course of the present studies. The undersigned expresses her unreserved gratitude to him.

The author extends her heartiest complements to her friends, Drs. Utpal Dutta, Deputy Director, Academic Staff College, Gauhati University; Dilip Chetry, Researcher, Primate Research Center, Guwahati; Rekha Medhi, Lecturer, J. N. College, Boko and Mr. Jayanta Sarma, Librarian, Dept. of Zoology, G.U. for their sincere help.

The Principal, Hojai college, Hojai and the faculty members of Zoology Department, Hojai College deserve thanks for help and co-operation. Sincere thanks are also due to Mr. Krishna Sarkar, Shirajuddin, Anup Sahni, Jaiguru and Ratneswar but for whose effort and help the author could not accomplish the field studies.

In fine the author extends her love and admiration to her father, Mr. Mantoo Chandra Paul, mother Smt. Anu Paul, uncle Mr. P.K. Sarkar and other family members for so tenderly looking after her with advice and support over years to enable her complete this humble venture as contemplated.
