ACKNOWLEDGEMENTS

It has been a great pleasure and privilege for the investigator to conduct the present arduous, laborious, and time consuming but precious and challenging research under the supervision of Dr. (Mrs.) I.P. Sharma, Chairperson of the Department of Education, Panjab University, Chandigarh. The investigator takes this opportunity to express her sincere and deep sense of gratitude to the Supervisor for her excellent spirit, suggestions and constant encouragement along with her kind and sympathetic attitude and efficient guidance from the beginning to the completion of this research. Indeed, without her seasoned supervision this work might not have shaped out so well.

I also wish to express my gratitude to Dr. G.S. Sodhi and Dr.H.S. Bajwa, Department of Education, Panjab University, Chandigarh for their proper guidance regarding statistical techniques used in this study.

Grateful thanks are due to the Principals and teachers of various schools for their willing co-operation and help during the course of data collection. I am also grateful to all those parents of primary school going children who extended full co-operation for data collection.

I take this opportunity to express my gratitude and indebtedness to my respected parents and brothers for their encouragement, love, kindness and financial help throughout my research work.
I am thankful to my uncle Mr. Ravjot Singh and my friend Dr. Rajani Sharma who have helped me in a wide variety of ways, in the execution of the study.

I express my special thanks to Mr. Sawarn Singh, Senior Research Analyst, Department of Population Research Centre, Panjab University, Chandigarh for helping me with all the statistical calculation and analysis of data with great patience.

Considerable gratitude is due to Prof. P. Lal (retd.) RIE, Chandigarh, for reading this thesis critically and for many helpful suggestions in expressing and organising the material.

My gratitude is also due to my respected husband Mr. Paramjit Singh and loving sons Mansimran Singh and Vikramjit Singh, for their great patience, understanding and co-operation throughout this work.

Last but not the least, I express my special thanks to Mrs. Jaswinder Kaur and Mr. Amrik Singh, Computer Programmer, H.No. 3246/1, Sector 40-D, who have been a great help in giving the final shape to this project work by typing the manuscript.
