PLATE-XV

**Frullania sp. II**

1. A plant showing habit.

2. A portion of the plant magnified x 52.

**Ptychanthus striatus**

3. A plant showing habit.

4. A portion of the plant magnified x 52.
PLATE-XIV.

Frullania neurota.

1. A plant showing habit.

2. A portion of the plant magnified x 52.

Frullania sp.I

3. A portion of the plant magnified x 52.
PLATE-XIII

Frullania rotusa.

1. A plant showing habit.
2. A portion of the plant magnified x 52.

Frullania duthiana.

3. A plant showing habit.
4. A portion of the plant magnified x 52.
PLATE-XII

Porcella hattorii
1. Plant showing habit.
2. A portion of the above magnified x 52.

Frullania squarrosa.
3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE XI

Porella densifolia subsp. appendiculata.
1. A plant showing habit.
2. A portion of the above magnified x 52.

Porella chinensis.
3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE X

*Porella gracillima.*

1. A plant showing habit.
2. A portion of the above magnified x 52.

*Porella obtusata forma macroloba.*

3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE IX

*Kadula lindberghiana.*

1. A plant showing habit.
2. A portion of the above magnified x 52.

*Kadula sp.1*

3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE-VIII

Plagiochila sp. IV

1. A plant showing habit.
2. A portion of the above magnified x 52.

Plagiochila sp. III

3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE-VII

*Plagiochila* sp. I
1. A plant showing habit.
2. A portion of the above magnified x 52.

*Plagiochila* sp. II
3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE VI.

*Chiloscyphus campanulatus.*

1. A plant showing habit.
2. A portion of the above magnified x 52.

*Plagiocarpa acerana.*

3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE V

*Chiloscyphus inflatus*
1. A plant showing habit.
2. A portion of the above magnified x 52.

*Chiloscyphus polyanthus*
3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE-IV.

*Lophocolea alata.*

1. A plant showing habit.
2. A portion of the above magnified x 52.

*Lophocolea bidentata.*

3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE-III

*Jungermannia clavellata*.
1. A plant showing habit.
2. A portion of the above magnified x 52.

*Scapania verrucosa*.
3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE II

Lophozia incisa.
1. A plant showing habit.
2. A portion of the above magnified x 52.

Jungermannia lanceolata
3. A plant showing habit.
4. A portion of the above magnified x 52.
PLATE-I

1. A plant of *Calypogeia ranistipula*.

2. A portion of the above magnified x 52.

3. A portion of the plant of *Cephalozia gollani*
magnified x 52.
