Acknowledgement

The satisfaction and euphoria that accompanies the successful completion of any task would be incomplete without mention of the people who made it possible with constant guidance, support and encouragement that crowns all the efforts with success.

With deep sense of gratitude and indebtedness, I express my utmost respect and deepest gratitude to my guide Dr. Sudam Chandra Si, Professor and Dean, School of Pharmaceutical Sciences, S ‘O’ A University, for his innovative thoughts, esteemed knowledgeable guidance and functional freedom, have continuously encouraged me throughout my work.

The possible distinguishing feature of him, which every students admires, is that he never give a chance for anyone to work ‘under him’ but ‘with him’. At this juncture only one description I find which truly fit him that he is a loving, embodiment of virtue, honesty, disciplined, knowledgeable, educationed, punctual, person with the ability to forgive which adorns his personality as fragrance adorns the flower.

I am extremely grateful indebted to my Co-Guide Dr. Pratap Kumar Sahu, Assistant Professor, Dept. of Pharmacology, School of Pharmaceutical Sciences, Siksha “O” Anusandhan University, Bhubaneswar, for his valuable guidance, moral support, encouragement and timely cooperation showered on me throughout the course of my work.

I would like to extend my deep sense of gratitude and a sincere and special thanks to my mentor Prof. (Dr.) Durga Madhab Kar, Professor & Head, Dept. of Pharmacology, School of Pharmaceutical Sciences, Siksha “O” Anusandhan
University, Bhubaneswar from the bosom of my heart for his constructive moral support, encouraging guidelines, affectionate & friendly behaviour, finding the quick solution of the complications emerged during the course of my work. During my entire project work I came across some of his invaluable qualities of simplicity, lovingness, honesty, disciplined & knowledgeable. “Sir, till the memory lasts you will remain in my heart & soul”.

I would like to extend my deep sense of gratitude and a sincere and special thanks to Hon’ble Prof.(Dr.) Manoj Ranjan Nayak, President; Prof.(Dr.) S.C.Mishra, Vice Chancellor and Prof.(Dr.) B.B.Pradhan, Registrar, Siksha “O” Anusandhan University, Bhubaneswar, for permitting me and providing all the necessary facilities for carrying out my whole work.

I would express my sincere thanks and deepest gratitude to my wife Dr.(Mrs.) Snigdha Pattnaik, Asst. Professor, School of Pharmaceutical Sciences, Siksha “O” Anusandhan University, Bhubaneswar, for her all time benevolence, encouraging kind support, timely helping hand, for always standing by my side and inspiring me during the course of my entire work.

This thesis was written in affectionate dedication to my loving wife, my son, my parents, my brothers and my sister, who through the years have given me support and valuable advices. I express my heartful gratitude to my dear parents and family members for their blessing and co-operation which helped me the most during my work.

I am gratefully indebted to Prof.(Dr.) S.Mallick, Prof. (Dr.) S.K. Moitra, and Prof.(Dr.) D.Das for their invaluable advice,
constructive criticism and most able guidance during the entire course of my investigation work.

I wish to acknowledge the help rendered by all my teaching & non-teaching colleagues during the present work.

I am highly grateful for the love, support and kind help shown to me by my friend Mr. M. Banerjee, Asst. Prof. Pharm. Chemistry, IPT, Salipur, Cuttack.

I very humbly acknowledge my gratitude to Dr. N. Srinivasan, Head, Asthaqiri Herbal Research Foundation, Chennai, India for his kind support in carrying out all the spectral and analytical studies of my work.

I extend my sincere thankfulness to our Lab. Asst. Mr. B. K. Mohapatra & Lab. Attendant Mr. Dillip Barik for their valuable support and help in the experimental setup through out my entire work.

Last but not the least, I thank God Almighty, who has blessed me with peace of mind, courage and strength.

Once again, I would like to thank all the people mentioned above for their contribution towards my work, and I feel that it was the combined efforts of all of us that have led to the successful completion of this work.
