ACKNOWLEDGEMENTS

With utmost regard and sincerity, I take this opportunity to express my deep sense of gratitude to Dr. C. R. K. Reddy, Senior Principal Scientist, who gave me the opportunity to join his group and directed me with his scholarly and infallible guidance throughout the doctoral research work. His enthusiasm and inspiration helped me to understand the several aspects of seaweed-bacterial interaction. His support and open mindedness for new perceptions, freedom to explore new ideas, valuable timely suggestions and finally the patience and care he had with me made me strong enough to complete the task productively.

I am indebted to Prof. Bhavath Jha F.N.A.Sc., Chief Scientist, Head and Co-ordinator, Discipline of Marine Biotechnology and Ecology for his kind support and providing facilities to carry out the research work.

I would like to convey my heartiest thanks to Dr. P. K. Ghosh, Director, CSMCRI, Bhavnagar, for providing infrastructure facilities of CSMCRI during my Ph.D. research work.

I would also like to gratefully acknowledge Dr. Vaibhav A. Mantri, who has always helped me by sharing his knowledge of the biology of seaweeds, besides providing the advice on literature review and referencing stuff while writing the manuscripts.

Special thanks to Dr. (Mrs.) K. H. Mody, for her kind support in providing facilities for initiation of my research work related to microbiological tools and techniques. I owe my sincere gratitude to Dr. Babu Lal Rebari, Dr. Avinash Mishra, Mr. Arun Kumar Das and Dr. Subir Kumar Mandal for their kind support and continued motivation throughout the research work which helped me in keeping my spirit up for achieving my goals.

Over the years, I have been privileged with fantastic friends at CSMCRI - Dr. Kunal, Mrs. Aditi Kunal shah, Narendra, Mukul, Rakesh, Rajendra Patil, Rajeev, Amit Kumar Chaturvedi, Amit Kumar Shagurvanshi, Amit Pareek, Vivekanand, Jitendra, Dhamesh, Sanjeev Mishra, Kapil, Sandeep, Suresh, Shailesh, Adarsh Kishor Sharma, Dr. Tejwant and Dr. Sumitra Datta for their direct or indirect help in academia and sharing unforgettable moments in the institute and everyday life.

I sincerely acknowledge the help rendered by my labmates- Mr. S. Thiruppathi, Dr. Manoj Gupta, Vishal Gupta, Puja Kumari, A. J. Bijo, Ravi Singh Baghel, Mahendra Kumar Shukla, Nitin Trivedi, Balvir Tomar and Vipul Patel for kindly assisting my work that has helped me to tackle my scientific pursuit effectively.

I am thankful to Dr. Vinod Boricha, Harshad Brahmbhatt, Vinod Agarwal, C. K. Chandrakanth, Hitesh, Viral, Jayesh, Daksha, Sheetal, Rajesh Patidar, Dr. R. Thakur, Mr.
Hariom Gupta, Satyavir and Mitul who have been kind enough to analyze various samples during my Ph. D. work.

I wish to take this opportunity to express my sincere thanks to Mr. Mehul Bhatt and Mr. Atul Shah for their warm support and kind help in administrative matters to ease off my research work.

I would also like to thank Mr. J. T. Visani, Mr. Kagdi Bhai, Mr. Sanjay Bhai and Mr. Vishal Gohel for their help in completing the experiments timely and completion of administrative related works.

I gratefully acknowledge Council of Scientific & Industrial Research (CSIR), New Delhi, India for providing research funds and awarding senior research fellowship that enabled me in accomplishing my Ph.D. work comfortably.

Last but not the least; I acknowledge deepest gratitude to my parents, brothers, sister and in laws for their incessant blessings, encouragement, inspiration and unceasing affection throughout my Ph.D. I also thank them for extending their unfailing support during my Ph.D. They deserve far more credits than I can ever give them. My most heartfelt acknowledgment goes to my wife (Mrs.) Nitu Chouhan for her support, encouragement and companionship that have turned my journey of doctoral study into a pleasure. For all that, and for being everything I am not, she has my everlasting love.

Finally, I thank the almighty for giving me all the strength and blessings for fruitful completion of this endeavor.

(Ravindra Pal Singh)
